

EIGHT THINGS

YOU MAY NOT KNOW ABOUT JEWISH SENIOR *LIFE*

1

WE'RE FOR EVERYBODY.

Not just for seniors, and not just for those of the Jewish faith. In fact, the people we serve come from all walks of life and represent a spectrum of ages and needs, including people with sports-related injuries, those who need orthopedic or hand therapy, and those who have suffered concussions.

2

WE MEET YOU WHERE YOU ARE, TO HELP YOU LIVE THE LIFE YOU WANT TO LIVE.

Jewish Senior *Life* is a Continuing Care Retirement Community (CCRC), offering all levels of care from independent living to skilled nursing care on a single campus.

3

WE'RE COMMITTED TO QUALITY.

As proven by our CARF (Commission on Accreditation of Rehabilitation Facilities) accreditation, an honor fewer than 12% of long-term care facilities achieved nationwide.

4

WE INVEST HEAVILY IN TECHNOLOGY.

Because we know smart technology like Google Home™ and programs like *It's Never Too Late*—an adaptive computer system that allows users to “touch” their way to find all kinds of engaging content—can enhance our residents’ sense of well-being.

5

WE INVEST HEAVILY IN PEOPLE.

We make sure our staff members are engaged and have the resources, tools, and support needed to ensure our residents feel at home.

6

WE'LL COME TO YOU.

For more than just medical visits. You'll find us out and about grocery shopping, making meals, performing home maintenance and repairs, and providing support wherever we can.

7

WE LOVE WHAT WE DO.

In fact, we were awarded the *Democrat and Chronicle's* Top Workplaces 2018 award. We were also named in *U.S. News & World Report's* list of 2017–2018 Best Nursing Homes.

8

WE LOVE FOOD.

Whether it's in our communal dining rooms, our new Green House Cottages with fully equipped gourmet kitchens, or on the lawn in the afternoon with the ice cream truck, we know few things bring people together or fill our souls like good food.

OUR HISTORY IN ROCHESTER STRETCHES ALMOST 100 YEARS.

We've been providing programs and services in an atmosphere of respect, compassion, and individuality since 1920, and we're poised to continue changing the face of senior living and community care for the next 100 years.
